“ *Dear Momma*

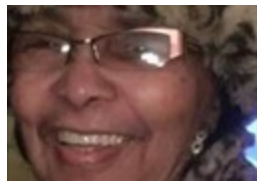

I miss you so very much!! Not a day goes by that I don't think about you. I'm trying my hardest to deal with the hurt and pain... some days it's unbearable, other days I manage a little better! My heart aches to hear your voice or see your amazing smile again. Watch over us momma and please visit me in my dreams 🥰🥰🥰🥰. RIH Momma

“ I miss you mom so much!!! The Lord was ready to take you in His eternal arms. You were such a beautiful person; inside and out.? We had many discussions about life and the dreams you had for my life. I'm going to do my best to stay the course and honor your legacy. Till we meet again. “ *Amelia, I love the pictures. She looks like a strong, beautiful lady...it must run in the family. Please know you are in my prayers today and for the days to come. May the stories that are shared with family and friends during this time bring laughter amid the tears, and even more beautiful memories as you celebrate the life of your grandmother.*
