“ I love my Aunt Rhonda so much. I'll never forget her picking us up from school and taking care of us. She was the best auntie I had growing up, so funny, so real, and always there for us. She even taught me how to cook and gave me so many life lessons that I'll always hold on to.

I promise I'll always look after Uncle Chris and Lauren. love you, family. ❤️

“ I was so saddened to hear that Rhonda has passed away. I met her 15 years ago when we worked at the 6th precinct. I'll always remember her coming out of the back office to meet the person who had the same name as her. She was always so pleasant and kind, and I'll miss our conversations. My thoughts and prayers are with her daughter, husband, and all her loved ones.

“ Long story short, Cpl. Rhonda has been there for me starting my academy days! I have only a few Tac staff that I truly respect, that knows as a recycle, she took the time to mentor, motivate and give us some sanity to me when I wanted to quit. I remember once I passed the gun range, I gifted her a Superwomen coffee cup, which she loved her coffee, candle and long card of how she helped me become a stronger officer

This 📸 means a lot to me, she promised me she would make my Graduation and she surprised me and didn't forget!

Rest in Paradise 🕊️🕊️

“ Truly going to miss my dear friend, Rhonda. It has been awhile since I heard from her and moved out of town but remember the good times we had together and the good memories we had in high school in NJROTC and the drill team, Murray Wright Marching Band and good old times after high school. I'm sure going to miss you Rhonda. Sending My condolences and prayers to your daughter and husband. May the Lord give you strength and comfort during this difficult time right now.

“ I am going to miss my next door neighbor some terribly. For many years, we would have our after work get togethers. We have lived next door to one another for many years and we were not only neighbors, we became sister-friends. Our dinner dates, nights out on the patio, girl talks, and just being there for one another are embedded in my heart forever. Will and Lauren, think on the good things, as there are many. Will, I need a copy of the video! It's my sister at her best. I love you guys!
