Lisa, How I miss Uncle so much, mom and I really wish we can be there with and for you. He will always be in our hearts and on our minds. Mom still can't believe he has gone on, but I know in her heart she knows he is in a better place. No more pain, suffering shall he do. Know that the peace of God that surpasses all understanding shall guide your heart in Christ Jesus. May he comfort you and give you strength to carry on. You took care of him until the end and I know he is looking down on you saying well done my daughter, well done.. We love you and we are praying for you and the family.. Give everyone our love.. Aunt Dot, Yvonne, Diane, Jackie, Jimmy, Dwayne, Junior, Johnny and Tony..

“ Lisa, I have been where you are. Let the memories of his love, laughter and life comfort you now and always. The day you think of him and smile won't mean you no longer love him, it means you have arrived at the road of acceptance If you need someone to talk to, call me any time. .Fran
