“ *It was always a treat to go over to visit our cousins as kids because we never knew how we would be entertained by our Cousin Ricky. He would always do something funny, say something funny or just make a face that would make your day. I will always cherish the good memories and I know that his nieces and nephews will as well. RIP Ricky*

“ *Cousin Ricky, you will always be remembered as a person who enjoyed life and brought joy and happiness to others. I remember when I brought my family over to meet everyone on crane for the first time, your compassion, kindness and laughter, that you brought to us all, helped welcome our transition from my overseas tour of duty. Now you are no longer in pain, and our hearts are filled with good memories to treasure. R.I.P... RICKY, R.I.P.!!!*

“ *Ricky Larkins was my brother-in-law, Genie's brother. We grew up together and had a singing group where we would rent tuxedos and sing in bars and churches. My dog Blacky, a Cocker Spaniel, and his dog Skipper, a Beagle, were best friends too—they went everywhere we went. I have many memories of him and the wild stuff we used to do. Last year, when I went home, he was sick, but he managed to see me. ~Marvin Flourney*
