“ *I could have never asked for a better father, you were and still are my rock, the flesh may be gone but the spirit is forever. It hurt so much, seeing you smile on 12/17/22 at our annual Ugly Sweater Christmas party to you being gone 6 days later, I know you were saying your goodbyes. I know you tried to prepare me for this, but it's just soo much! I love you Daddy and I know you are happy and pain free...*

*Love always your Daughter,

“ *Hello my name is Mack Peterson jr. Richard and I worked at Chryslers Huber Ave Foundry from 1973 to 1980. Richard played a important role in my life. As a young man fresh out of high school I was open to put in front of me. I looked up to Richard as smooth talking mentor. I always took the advice Richard gave me to the Hart. After the plant closed we went our separate ways. Last year we reconnected at his wife funeral. We talked from time to time since then. Richard Moore will be missed.*

“ *Condolences to the Moore family. Richard was a part of my family for many years. We knew him through my brother Al Dingle when they worked at Chrysler together. He kept in touch with my mom until she passed last year. Please know that we are there with you in spirit, and I hope he rests in eternal peace!*
