“ *Just thinking about talking to you in the hospital me and Michael. I did not know how many of the things you asked me to do would go undone and not because I did not try  
You always had away of teaching me things. I Thank You Richard for being good to me, Listening to me and showing me so much about life. You are definitely Coleman and Maggie's son and Me a very Blessed Sister. Love You Richard and Miss You so Much

“ *Missing You Richard, Woke up thinking about You and remembering your smile and how you would talk to me with so much thought and concentration. You always had a way of listening and a little laugh and then the explanation. How can you not have admiration and respect for someone that actually listened and allowed you to speak and understand you at the same time? I give God Thanks for taking You into his Kingdom and knowing You are resting. No longer having pain, hurting. My brother you have lived a good life, You always showed it in your walk and talk. No one I know had such a walk in their step and dressed to the nines, But our father Coleman Reed. Richard, You're always in my thoughts and Prayer. Love You Little Sister Barbara*

“ Happy Birthday Richard. Missing You and at the same time You do not have to suffer and endure any more pain. I have many memories of you and sometimes it hurts to know I can no longer pick up the phone and call you. We laughed and shared some funny times together. I at times look at the videos I made of our family and I thank God for being able to see us all together, having family gathering, and oh so much food, always a lot of food. We had the "Best Father and Mother". I know You all are looking down on Us and sending Prayers and lot and lots of Love. Rest in Heaven Brother and Yes You Did tell Me that You Loved Me. Love You, Your little sister Barbara.....

“ *Missing you brother, I know you are resting and oh lord you are free of Pain and All worries. Love you Richard, You were always there for me. I thank You so much for All the kind words you always said to me, I thank you for always telling me how proud you were of me. Richard as small as you were you carried yourself like a "Big Man". Even as you walked in pain you still had smooth walk. The day I was sitting at your dining room table you said to me "Barbara did I tell You how much I love you". I said to you yes you did and You know that I love you too and will never forget how you were always there for me. Love You, Miss you and I thank God for taking You into his Kingdom with the other Angels. Your little sister Barbara*

“ *Richard and I worked together for the City of Detroit Forestry and Landscape Division Land Development unit. (aka Lyndon & Meyers). Ironically, we were at times, each others boss. LOL He was a fun guy to work with and for, and we shared many laughs together. He'll be surely missed. My condolences and prayers to the family. R.I.P. Rich.*
