“ *Mr. Spurlock was one of the coolest teachers I had at Sleepy Hollow. He always went the extra mile for his students and had an uncanny ability to make learning math fun! He will be sorely missed; however, to be absent from the body is to be present with the Lord. Praying for Mr. Spurlock and his loving family.*

“ Mr. Spurlock was my math teacher in elementary and middle school. I loved him like an uncle. He was always there for me and my classmates. I remember he drove myself and best friend all the way to Ann Arbor to meet Jalen Rose and the rest of the Fab Five. He will be greatly missed. My prayers go out to his beautiful family and friends.
