“ *Susan*

I want to express my deepest sympathy to you and your family. Richard was a very good friend and brother. I remember working with him at Manufacturers Bank years ago. He was always very warm and friendly. He will surely be missed. However very soon we will see our dear brother again. Until then remember that Jehovah will give you the strength beyond what is normal to cope with this situation.

Love

“ *To the Stanley family, we wish to extend our condolences. May Jehovah provide you strength and support in this time of your loss. We all look forward to the time "when no one will say I am sick". I didn't know Richard as well as some, but he was a brother that would have been easy to get to know and love. May Jehovah continue to be with your family. Rev. 21:3,4. “ Susan & family, Charles and I have been truly grateful to have had Richard as our brother, mentor and friend. He has left us with many stories, lots of laughs and most of all a longing to stay close to Jehovah so that we may see Richard again in the ressurection (John 5:28). He left a shining example of his faithfulness and his love for Jehovah. We will keep your family in our prayers###imported-begin###Charles & Carol Smith###imported-end##

“ Susan, John & Sis. Stanley: At this difficult time it is impossible to express all the shock and hurt that we share with you. Richard was the brother that I never had and a real friend just at the right time. Only Jehovah's new earth will alleviate the pain of this reality. (1 Thess. 4:13)
Until that time our prayers are with each one of you and our hope remains that all of us remain faithful as he did. To be able to personally welcome him back to "the REAL LIFE", that is what all of us look forward to. Until that time arrives, I'll always remember his, smile, his great sense of humor and his faith.

Intense Tears, Love and Kisses
