“ *We want to share our condolences with Mr. Bey family. When we lose our loved ones in death, it is the most difficult time in our life. However there is loving comfort in God's word to throw our burdens on him and he will sustain us. No matter what we are facing God is there to help us through it.*

“ Where to begin. Rick was like a brother and more than a friend. He was caring, generous, loving and hilarious. There was no way anyone could be down and sad around him. My family and I can only remember the many good times we often shared. Love you Rick.

“ My condolences to you and the entire family , I didn't know Ricky at all , I'm a friend of Kenyetta we use to work together at Comcast , Kenni share alot on Facebook and this is how we all would keep in touch with family's and so on, but to see the 💕 and happiness that they share is a beautiful thing such as the engagement, the marriage and father& daughter dance etc.I really enjoyed watching those beautiful memories that you all share for us to see.I was so happy to see that Mr Ricky brought joy and so much love to these ladies Kenni& Kennedy..shows just how much of a good guy you are !.Iwill continue too pray that God covers you and your family through this difficult time.Love Gretta& Edward

“ Ricky, You brought joy to Kenyetta and Kennedy’s life. I loved you and Kenyetta’s relationship your back and forth differing of opinions. Your foundation was friendship and blossomed into love. You truly loved each other and it showed every time I saw you both together. You two were the missing piece to each other’s puzzle. Your infectious soul made an impression on my daughter and for that I thank you. You will be remembered in our hearts forever.
