“ *Ricky,*

*At the tender age of 14 you welcomed me into your family; I went on to give you your first grandchild Tiara. To know you was simply to love you, I will miss your smile and laughter how it lit up the room. You're an angel now rest and know your job here is done! May GOD give your loved ones the peace that you are now experiencing.....
Love always,
Cherica, Tiara, Aarion & Anyla*
