“ *Robbie was one of a kind. Always with a smile on her face. I was her unit leader at BCBS in the COB dept. She always thought of others before herself. She loved her family and friends. I loved hearing about her wonderful vacations she was able to take with her family. For some reason God wanted her before we wanted to give her up. She loved her life with that smile on her face. Miss you Robbie!*

“ *Robbie was one of a kind. I was her Unit Leader for many years working at BCBM in the COB Dept. She was a wonderful person and always doing the right thing. She thought of others before herself. For some reason God wanted her now. I know she loved her life and her family and friends. She just left us too early. I will miss her beautiful smile.*

“ *Robbie was a wonderful, supportive, and loving friend. She always had a good word to say, always positive. She loved her family and enjoyed sharing news about her daughters and grandchildren, and information about trips she and Tyrone were going to take. Robbie thoroughly enjoyed life and was a real fighter. She beat cancer once and fought the good fight this time around. I will miss her spirit and her friendship. I send positive thoughts and prayers to Tyrone and all of her family and friends. I know your memories of her will be a comfort to you in the coming days, months, and years. May God bless and comfort you now and always.*

“ I was fortunate to meet Robbie (and a lot of other special people) when I joined the COB team at BCBSM. She taught me how to conduct myself in the work place, which also transferred into the world. Treat people with kindness, be consistent, be caring but also be about your business.

I can still hear her voice telling me and my buddy Tim (Cook)..” Yall-a- Mess!”

I’ve missed her, and I will continue to do so... But, I will never forget her....

My name is Velencia Horatio. I’ve been visiting Clara Cash at the Beaconshire Nursing Home, for years. She was a close friend to my father. Robbie was her niece. For the last 3 years 2017-2020, each time I ask Clara if Robbie came to see her..... she always said YES. Robbie was here this morning. Now Clara is in the hospital and I’ve been trying to reach Robbie. I found out that Robbie passed away 3 years ago. Could some family member please contact me. 248-739-6440 horatiov@aol.com. Thank you so much,

“*Robbie,
Whereever a beautiful soul has been there is a trail of beautiful memories.
I'm going to miss our runs and walks together my jogging and your walking. I laugh as I think about your walking faster than my jogging. To the family, Heaven has another angel now and she will surely be missed.
Rest in peace my dear sister.*

I am going to miss Robbie, I met Robbie while working at BCBSM. Robbie always had a kind and encouraging word to say. She was full of life, and indeed loved her children and grandchildren. I remember the funny things she would tell me about the grandkids. To the family, Be blessed, God will take you through. I am glad to have known such a wonderful person.
