“ Westside Rob It's hard to believe you're gone. You were one of the funniest people I knew, and you could talk longer than anyone else in the room. Sometimes we would laugh and say, "Here he goes again," but the truth is, those were the moments that made being around you so special. Your jokes, your stories, and the way you could turn any quiet moment into a conversation will always stay with us. You brought laughter and life wherever you went, and that's something I'll never forget. I'll miss hearing your voice and your endless stories, but I'll always carry the memories and the smiles you gave us. Rest easy, cousin. You'll always be remembered. With love,
