

Mr. Robert Lee Elsberry III

December 25, 1979 - August 21, 2013

The Life and Legacy of Robert Lee Elsberry III:

Robert Lee Elsberry III, a beloved son, stepson and father; brought joy, happiness and pride to us-his parents, friends, relatives and those that knew him; but sadly, he left this time side of life and went to be with our Lord and Savior on August 21, 2013.

The son of Arnice Fuller and Robert Lee Elsberry II was born December 25, 1979 in Detroit, Michigan.

Robert recently invited Christ into his life and according to many, was a changed man. He was not selfish about letting Christ into his life as he had began the practice of encouraging others to let Christ into their lives. For those that were somewhat reticent about letting Christ into their lives, Robert would simply say to them "I'm going to pray for you."

Robert received his formal education from the Detroit Public Schools, graduating from Osborn High School in 1998. Aside from his academic endeavors, Robert was a member of the Osborn High School Boys Varsity Basketball team.

Robert was trained as an auto glass repair and installation technician for the

Safe Lite Auto Glass company. He worked for Safe Lite Company until he decided to invest in a publishing company, a trucking company and other safe-and-secure investments.

Robert's favorite pastime was that of playing pool (billiards), of which he was exceptionally good at doing. No one dominated him in the game of pool and not many could consistently win pool contests against him.

As an ex-barber and schoolmate of Rob, I think I can speak for the whole hood (7 mile & Hoover area), that one of the coolest dudes is gone far too soon. To his son, who I use to cut when you were sitting on a booster chair, your a big boy now, so do it big in life for dad! RIP Vell

You were one of my Angels The Lord Jesus Christ gave me. You were the only nephew I had that was truly unique! I watch you grow from a boy into a strong bright intelligent man. My heart fell when I recv the call that you had been kidnapped. I fell on my kness and began to talk to God. Asking for your safe return. Our family formed a search team to look for my nephew. They answered your phone n I begged them to give Rob back to us. After searching all day n when I returned home I revb the news. I lost a nephew in 2012 m had a stroke. Then this, I believe I had antherinnie one. But I don't go yo the hospital. I love my nephew n miss him much! I dream about him all the time. This was wrong who ever done this. God see's n knows all. The truth is going to come to pass n may God have mercy on your soul. Nephew rest n peace. Auntie Salena!
