“ *I just learned of Robert's passing a few days ago. I had the extreme pleasure of backing up him and the rest of the Soulful Soulmates several times in the 70's. His beautiful talent must have given so many people joy. My heartfelt condolences to the family.*

“ *My favorite song to hear Robert sing, "Key To The World" He'd give L. J Reynolds a run for his money. I told him at The African Festival this year, he couldn't come off that stage until he sang it. Lol! Great singer, and an even better person. To Tina, Tionna, and the family, I love you and you are in my prayers.*
