“ Dear Sweet Lorine and family,  
I am so very sorry to learn about Red's passing. He has been a great friend to my dad for many decades and I have enjoyed listening to stories about them or your kids. It's been some years since I have seen Red. That doesn't matter much, as in life, when time passed by, and I hadn't seen him for a long time, he was always the same jovial down to earth man. I admired him for his dedication to his family which was always a topic. Always something good or funny to say about Tisha, Corey or Danielle. I'm sorry I could not be there to say a last good bye as I can't get to Detroit right now. But dear Lorine, please know, my family and I are grateful for you and Red, to have known such a terrific couple has been such a blessing. We will keep you close to our hearts and send lots of love your way.  
Love Marie  
And PS.....there just happens to be a "Red" candle for me to light ... he's that special!

“ *My condolences to Red's family and loved ones. I am so sorry to hear of his passing. I worked with Ted and he was a good union man. I regret not being able to attend the visitation or the services but health restrictions simply won't allow it. Please know I am with you all in spirit and in prayer. May God bless and keep all of you as you mourn.*
