“ *Bobby Feets ,  
I will always remember your smile that you brought every day. Even when things got down you found a way to make us feel like its going to be ok. It never left my mind when you would say "hey dude we still gotta come get dat bread". Oh and thanks for taking care of me when I was running a little late . You always had my back and I had yours. Always loved your visits at the laundry Bobby, will miss you greatly.*
