“ To My Family,  
I have so many fond memories of my Daddy  
Gill, its difficult to narrow it down to just one.  
But I will treasure all of the times we were  
together, how he was there for my twin and I  
throughout our entire lives.

I remember all the Beer picnics, Fish Fry's, Birthday parties, putting  
up those Big Tents and just pure Family gatherings.  
WOW, so many of our Seasoned Men living us. But I know God will  
never leave us nor forsake us.

Daddy may be gone physically, but he will always be with us in our  
hearts and our memories. will be missed but never ever forgotten.

I will always carry you in my heart.

Love you so much,

Charlita Moore

“ God always places people in your life for a reason, My godfather has been in my life all my life so the reason is just genuine love. I am really going to miss him you don't have to talk to a person every day to know that they love you and for them to know that you love them. REST in HEAVEN no more pain no more suffering, to my family my prayers are with you all. I know God has you all covered and will give you the strength you need to get through this hard time.

I will cherish all my memories that dad and I shared together, although he wasn't my biological father he accepted me as his very own. Remember Earth has no sorrow that heaven can't heal.
