“ *I will miss our Sunday evening talks, where we caught up on the goings on in the week, solved the world problems, and express bragging right on our basketball teams, the Piston and the Cavaliers, where neither of us had much to brag about. Nerveless, our conversation was always upbeat. Robert was such an encouragement; he would always say when I ask how you are doing; "Gene I am taking it one day at a time". He was good like that, no complaints. I am going to miss Robert, but, I know he is better off. R.I.P. Brother Gene*
