“ *To the Family of Brett Goodwin: I really didn't know Brett, however, I will always remember and never forget the genuine kindness he extended to my family when we lost Gene just 8 short months ago. His acts of kindness and words spoken to our family told me a lot about his character, the unseen. I can only conclude he was a man's man who gave from the heart. I am heartbroken as the world has suffered a great loss in this genuine soldier. March on Brett*
