“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why Robert left this earth so soon, or why he left before we were ready to say good-bye, but little by little, we begin to remember not just that he was called home too soon , but that he lived his life to its fullest & that throughout his life we created wonderful memories with him that is too amazing to forget . Love you & see you later Rob & Prayers and love to his family and friends*

“ *I am so very sorry for your loss. May the God of all comfort embrace you with peace and hope now and in the days to come when as Rev 21:4 promises - soon all our sorrows will lie far behind us. You have my deepest sympathy.*
