

## Mr. Robert Lee Hill, Sr.

August 1, 1935 - November 18, 2022

In Loving Memory of

Robert Lee Hill, Sr. was born on August 1, 1935, in Kingston, Georgia to the late Walter Lee Hill and Lillie Mae Hill of Kingston, Georgia.

Robert or “Lee” as some called him was one of eight children living on a farm. Robert accepted Christ at an early age. Robert was a hard worker and started working at an early age to help support the family.

Robert met the love of his life Betty Zachery, and they were married on June 20, 1954. From this union four children were born. Their first son was born in Atlanta, Georgia and later, they moved to Detroit, Michigan where one daughter and a set of twins were born. While in Georgia, Robert worked on the railroad and in construction. After moving to Michigan, he worked in management in an industrial setting and finally at General Motors where he retired January of 1998 after 30 years of service.

Although Robert left the south, farming remained in his blood. There were always vegetables and plants growing inside the home in his nursery or outside on his farm. He was always so proud to show off that farm. He took great pride in his home and yard. He enjoyed working with his hands and could fix anything and do everything!

Robert enjoyed fishing and camping but most importantly, he enjoyed spending time with his family. No matter how busy he was, there was always time and a way to include everyone in the work. We celebrated his 87th birthday with a large surprise party with people from across the country. His

expression upon seeing everyone was WTF! It was good to celebrate this moment with family and friends.

Robert and Betty shared 67 years of marriage before her passing in August 2021. He missed her terribly and on November 18, 2022, Robert Lee was called home by the Lord.

“ *Uncle Lee was a very special uncle to me, he and his family helped me when ever i needed help. He was a true father, uncle , son, and brother. If you asked him about anything financial, relationships, cars etc. He had the right answer full of wisdom and knowledge. I'm glad to have had him as my uncle. Peace and love to the family!
