“ *I am really at a loss for words right now, and I would like to give my deepest condolences, there are no words to express how you guys feel right now I know Cool Rob is in a better place, and we must be strong and go on. What's funny is I was just thinking about him in that new Lincoln Continental cause I know he was going to get it, always know that you had a place in my heart and I loved you like my own father Rest in Heaven, Gone but never forgotten I love you Cool Rob!*
Love Always, Kim (Smokey)
