“ *My heart is broken for the beautiful family of Robert McKee. One favorite memory is when my boss, Rod Brown took The McKees to his synagogue Adat Shalom to show them around. Pastor McKee showed an interest in purchasing a shofar, which is a rams horn blown welcoming the Jewish New Year. Rod Brown sadly passed away at 51 from a sudden heart attack. I picture him blowing the shofar welcoming Robert to Heaven.*

“ *Thoughts and prayers go out to the McKee family. I wish with all my heart and soul that we could have stayed close over the years. I grew up with Bobby on Leslie and shared many many days in his house, yard and car. We shared a lot of good times together until I move to California in 1976. It is with sadness and a heavy heart I write these words. To the love of his life Tychinna who I knew and loved I say- may God continue to guide you and hold your hand through life's journeys. To Bobby's children I say God be with you and know that your dad was loved and will rest easy in the right hand of GOD. Sending love from Roswell GA, The George Crumley Family. g\_2481@yahoo.com*

“ My thoughts and prayers go out to the McKee family during this time. He was an awesome Man of God and a dear friend. I will never forget our talks and his encouragement to me when I was the Evangelism President for the Jurisdiction. This one really stings, but I am rejoicing knowing that he is with the Lord.
