“ *When I met Robert I saw the admiration in his eyes for Cynthia. He definitely was YING to her Yang. We live so far from each other, but I saw in him a wonderful and caring man. This world is truly going to without one of the Good Guys.*

“ *Cynthia, I'm so very sorry to hear we loss Robert. Both your Robert & my Robert (Rufus) we're two of a kind. Great memories of little things like watching the two of them putting together a picnic table. May God bless, comfort and cover, you and your family, during the days and weeks ahead.*

*Prayerfully yours,  
Part of your Erma Henderson family,  
Rufus & Carol, Brewer's Hideaway III*

“ Robert, Cynthia, myself and a few friends spent Thanksgiving in Mexico one year. It was so much fun. I still have this gorgeous large seashell I got there on the beach. I think of the good times and Robert & Cynthia when I look at it
