“ My cousin Robert was a great man. Everywhere he went he puts a smile on everyone's face. When some one needs help he will be right there to help. For example a family member of mine needed some money and he gave my family member one hundred dollars , at least that's what I heard. He sits in a wheel chair because of a bad accident and he wasn't even driving. So I guess GOD decided it was Roberts time to go. We will always remember and love MY COUSIN ROBERT . R.I.P Robert . I thank God for the time He gave us with Robert through all life trials he kept a smile on his face and that smile will never be forgotten. But even though we loved him God loved him more and said you have been through enough so he took him home. Hold on family hold on you have Harold and mine prayers.

“ To the family of Rob, Rob was a true friend to so many! He was my go to guy when things got ruff or I needed a shoulder or just needed a place to hang, he was there. He would give you the shirt off his back if he thought you needed it. He was a true friend to me, my husband Gary, my kids and grandkids. There will be a big void in my life that he has filled for many ,many years. He will be missed greatly!
