

## Mr. Robert Render

June 5, 1958 - June 17, 2025

### OBITUARY

Robert Ryan Render (1958 — 2025)

Born in Detroit on June 5, 1958, he was the beloved son of parents William and Elizabeth and brother to siblings Ruth; Ronald, Regina and Robin. Bob loved God, his family, friends, Star Trek, Tesla, and his favorite TV shows, that we all started watching with him (LOL).

He graduated from Mackenzie High School (Class of 1976). He loved his Bicentennial class ring with a drummer and flag within the gem. He loved cars and going to the Detroit auto shows as much as possible. His heart was also in space, like his big sister Regina. Anything related to Star Trek, they were two peas in a pod, old and new episodes, movies, models of the spaceships. He even had a toy phaser. He was always fixing or creating something better, whether it was fixing a vehicle or improving the efficiency of anything he touched.

Bob had a long career using his electronic technical skills from the National Institute of Technology (Livonia, Michigan), then Harper Grace Hospital, Detroit, MI and a very long career at Lakeland Community College (Kirtland, Ohio), where he retired from last year.

He leaves behind a legacy of love, kindness and unforgettable memories.

“ I only just found out about Bob's passing when I tried to call him and saw that his number was no longer active. I knew about the illness he had been managing for several years, so with great apprehension I searched his name and found this obituary. I was shocked and deeply saddened to see that my good friend of nearly fifty years had passed. Bob and I only managed to see each other once a year, but we stayed in contact. We shared so much in common and had so many wonderful conversations. Being around him always felt like comfortable old blue jeans. I will miss him forever. I also saw that his beloved his sister Regina had passed only a few months earlier. My deepest sympathies go their family. Especially, Robin and Jay.
