“ *I first met Robby back in the 70's when we worked together at Creative Universal. He made the workplace fun, and he was an extremely talented artist. We hooked up again in the 90's when we worked together at General Motors. After that we kept in touch - it became our annual tradition to get together to see fireworks. Fireworks will now forever remind me of him. While he is now free, I feel blessed to have had Robby as part of my life, and will cherish the many memories that we shared.*
