“ *Robert was my cousin Phyllis's cousin, but I called him cousin Robert anyway!
Cousin Robert took me on my first and only motorcycle ride when I was 16 years old! I'm going to miss you Cousin Robert!*

“ I would like to share my short time with Robert "Guzzi Bob" Satterfield. My two sons myself and my two brothers have been going up to the Michigan Moto Guzzi rally in Interlochen Michigan for about eight years now, ever since my youngest brother bought a Moto Guzzi LeMans. The first few years going to the rally we casually talked to Bob, shared coffee, just small talk. Then about 6 years ago riding up to the rally we notice Bob going the wrong way out of Cadillac Michigan. We caught up with him he had his directions a little confused so he followed us into the rally. He found out that we live down here in the Detroit area and wanted to ride home with us. Since that time we have been riding together to the Moto Guzzi rally and numerous other rides around town. He was truly a remarkable person, very funny, told great stories, and fit in like we knew him all our lives with our group. He will be truly missed, and know that every year at the Michigan Moto Guzzi rally we will have a moment of silence and a toast to "Guzzi Bob".. 🙏🙏
