“ Robert and I were the same age and we were lifelong friends, more than only cousins. Family was so important to him - our mothers were best friends. My deepest condolences to his brothers and to his extended family. He always came through when I called him to help. I could hear his smile through the phone and it made me smile. He touched so many people - he really made the world a better place.

We will really miss him.

“ I was so sad to hear this news. Robert was my friend when I worked at the Detroit Regional Chamber. We traveled all around the state to talk to colleges and universities about their logistics programs. He just loved driving that Chamber minivan. His stories were the best. One time we took a work trip to Atlanta and he just cracked me up, he was just so much fun. He loved adventure, he was hilarious, and I know his life had so much depth and meaning. He found joy in his family and friends, music, and his "stories" or all the TV shows he liked to watch. Time spent with him was a nonstop laugh fest, and those work days with him always flew by. He was a unique precious soul and my thoughts are with all of his loved ones.
