“ Prayers and condolences to Mark and family.
Wanted to share my time with Mom!
Mark had to do his route for work and ask if mom could sit with me
until his brother came to get her.
She was so pleasant to talk to so very sweet. Didn't want her to
leave.
May she rest in peace.
God bless you all

“ I will always remember aunt Robert's soft voice & her laugh. I
watched her as she was very observant. She was a lady of grace &
poise. Whenever I saw her, I saw her sister, my late mother-n-law
Tecoria Slater because they looked so much alike. Prayers going
out to all the family, loved ones, & friends.

“ *What Mo. Alberta McClendon meant to my life, By Evangelist Tracey Summers-Neal*

Mrs. McClendon was a small lady-like woman who represented Leadership, Humility, and Dedication throughout her long life, I can remember coming over to play with Michelle that Mrs. McClendon was always there sitting at her sewing machine while cooking dinner or talking on the phone, or just giving us some golden nuggets for life; instructions on how to navigate this life while living holy.

Mo. McClendon was doing what she loved to do sew, creating articles of clothing that when you saw these pieces they not only made you feel good, but happy and confident. Most of the times when I needed something made or remade she was like a Ram in the bush for me. I didn't know many seamstress but I knew one who could get it done! I remember I was in my Cousin's wedding as the maid of Honor, and I had gained weight after my marriage and kids and all, and she remade that dress to make me feel confident to walk down that aisle for my cousin. That was the type of person that Mother McClendon was dedicated to God's people, Humble showing us that you can still be strong while in the background, and Leading out as a strong pillar in her home steady being dedicated to God, family, and the people of God.

I thank God for the life of Mother Alberta McClendon, and for her beautiful family who are still is in my life. I love you Jr, Chelle, and Mark. love Tra.
