“ *My name is Dave Gardiner. I was saddened to hear of the passing of Rod. We worked in foodservice on & off for years(Casa Lupita, Chammps). He jokingly called me "the angriest white boy he ever met" because of my flying off the handle at the slightest provocation. Thankfully i'm much calmer now! Regretfully i cannot make the visitation or service because of my work schedule but Rod will be in my prayers . Rest in peace my friend and may God comfort your family and all who grieve today.*
