“ My Brother Roddy, (Not by Blood, but I have claimed you from Day 1). You always treated me like family. You always greeted me like you were genuinely concerned with how was I doing, when you asked. You are definitely missed, I am praying constantly for your family. Praying for Peace and Comfort as they adjust to the new normal. Sending Hugs to them all, know that you all have many, just like me, anxiously awaiting to do anything needed. I love you Richardson family, Michelle Easterling ❤️
