“ I have known Rodney Williams for over forty plus years and shared a valued college experience with him as friends and later as fraternity brother. Rodney was my best friend and overall great guy who was a hard worker and entrepreneur and businessman. His presence will definitely be missed. RIH good brother!

“ Rodney and I ran against each other for 3 years in high school , he was a Cody Comet and I was a Murray Wright Pilot. I remember us passing each other up many of times, I remember him from his AFRO and his Clark Kent/David Ruffin styled glasses. After graduation a few weeks later we both attended Oakland University summer support program in summer of 1982, Rodney proudly wore his high school Varsity Letter Mans Jacket as I did wear my Murray Wright Cross Country Track Letter Jacket. He and I bonded instantly at Oakland University campus and within 2 years we pledged Kappa together and became Sands, Best Friends, car buddies and more.

“ Rodney and I first crossed paths as freshman at Oakland University while in the Summer Support class forty-three years ago.

I must say that we became instant friends and family collectively while trying to navigate through our first year of college. We studied hard and partied even harder which brought us closer as friends. Rodney was my best friend and would always ask me during every conversation if I was okay.

I had the esteemed pleasure of pledging Kappa Alpha Psi Fraternity Incorporated with Rodney and eight other young men while students in college which brought us even closer as friends and life long fraternity brothers.

Rodney's presence as well as his intelligence will be missed, but he is now safe in the arms of the lord.

RIH Rock.
