

Mr. Roger Lee Helton

February 16, 1983 - August 26, 2019

In Loving Memory Of;

Roger Lee Helton was born on February 16, 1983 in Detroit, Michigan to Reginald Leon Sr. and Dorothy Ann Helton. Roger was the youngest of his seven siblings. Roger gave his self to the Lord at an early age, and later became an ordained minister. He also loved song writing and he LOVED music. His favorite artist is Jay-Z. He has an extensive catalog of music that he composed throughout his life. Roger had a zest for life and a love for fashion. His favorite designers included Fendi, Gucci, and Cartier. No matter what the occasion, Roger was sure to be dressed well. He loved to make people laugh and would give anyone in need the shirt off his back. He was very smart, if he didn't know the answer to something, he would look it up, learn it and teach others. More than anything Roger was a fighter. He was very strong-minded and didn't give up. These characteristics stayed with him throughout his illness.

After overcoming Leukemia with a successful bone marrow transplant from his brother, Reginald L. Helton Jr., he was cancer free. Unfortunately, the illness came back more aggressive in the form of brain cancer. Roger continued to be positive and strong throughout this process until the Lord called him home on August 26, 2019 at 2:15 a.m. in the morning.
