“ *The thing I remember most were the Greektown Chicago Style Pizza trips!!! I still can't believe you're gone, especially since you looked like you were still going be around fusing at Tammy when I last saw you before Christmas. I wanna say thank you so much for loving her as much as you did and taking care of her all of these years. I guess our last joke will be no more, y'all won't be crawling around taking care of each other after all!!! I'm just glad you're no longer in pain and pray you're at peace.*
