“ *It is with deep sadness that I receive the news of Rogers passing. We shared the day to day challenges as young engineers at Ford, plus a love of tennis. He and RK Jones, JB Drummond and I would meet before work to play a set at Palmer Parks tennis courts years ago. His spirit was epitomized in his involvement in cross Michigan bike rides where he embraced these endurance experiences, as much as I loved my bike 100 plus miles was a bit much for me, but he did it with his ever positive outlook, his smile and the hint of a New York accent. The last time I saw Roger, a brief encounter at a breakfast restaurant, he said that he was ill and was not sure if he remembered me, but that it was obvious to him that I knew him.*

To his family we wish you the strength that our savior promises us all in times of trouble and our sincere condolences .

“ *Co-member with Roger with Motor City Operation ReachBack, for many years. He was loyal and committed to assisting young, Black males at risk. Roger fought a good fight. Family, may God bless, comfort and keep you now and always.*
