“ I know we lost touch over the past few years, but some of my best memories from freshman year of college were with you and our friend group. You always accepted me for who I was and never made me feel different for my sexuality. This honestly meant more to me than you could ever know at the time, as I had lost a lot of my male friends throughout high school when I came out. You will be greatly missed and I truly hope you are resting in peace.

“ *Sending prayers to you and your family. Our family met Roland before he started going to college. Roland became a part of our family, and would stay with us in some weekends. Roland was the big brother to Lj and Anthony and they liked when he would come over. He was a very respectful young man and loved playing games with the boys. I am Mema to my grandkids and my husband is papa, so as he was comfortable with us that's who we were to him. Love you Roland, you will be missed.* 🙏🙏🙏❤️❤️❤️❤️😞😞

“ Roland was a friendly face to me all throughout college. When we were freshmen, I went through a time where I felt like I had no one. Roland noticed me eating alone at dinner and would always invite me to eat with him and his friends whenever he saw me. We stayed friendly ever since. He showed me genuine kindness when I needed it most, and part of me always thought he saved my life. I never told him this and I wish I did. He was funny, smart, and so deeply cool. The world is a duller place without him in it.

“ Roland was such a sweet young man. We enjoyed having him visit our cabin (upper Michigan) with Rachel. I use to like to send him jars of homemade applesauce since he liked it so much. May his memory be a blessing to everyone who knew him. Sincerely, Mrs. Michel
