“ I am very heartbroken to hear of the passing of Rolanda; Lanie as we called her growing up. She lived across the street and we shared a love for rollerskating and that’s how we bonded growing up. We lost touch over the years but not due to anything bad between us; we all just grew up and grew apart, but I always wondered about her and I went skating last year with the hopes of seeing her and I did, we hugged we reconnected. She came over like the next day and visited. She shared a lot with me especially about the really bad headaches she was having and she didn’t feel well. I wanted to help and was going to refer her to my neurosurgeon. The last time we talked was mid January 2024. I had been trying to call her and yesterday,5/30/24, I learned why her phone was off. Just don’t know what to think or feel because I just reconnected with her, I will always remember Lanie as I have always carried her in heart. We grew up together. I was there when her daughter was born. We skated, hung out, shopped and was silly together. I have so many memories. She was in pain and I wanted to help her. Damn, we just reconnected 😞  
Rest easy, rest in peace friend. I will miss you but I will be ok. You’re not suffering anymore 💔🌸💔🌸 Love Chaffaye

“ My dear “daughter “ Rolanda, the news of your untimely departure from this life has truly devastated me. I take solace in having witnessed your journey over the years. Watching you raise your daughter and then, unselfishly, taking on the task of doing the same for your granddaughter was a true source of pride for me. Our relationship was a loving one. Had I known that last hug we shared would be our last one, I would have held you tighter. If I had known that latest call would have been our last, then I would have talked longer. My only solace comes from knowing that you are definitely with our Lord and finally enjoying the peace you truly deserve. Until we meet again, my sweet girl, Rest-In-Paradise. Love, “Mama” Pat

“ My sincere condolences and prayers to the family 🙏  
Rolanda was such a beautiful & warm hearted person. From the moment we first met, we clicked and shared many spiritual & heartfelt conversations, and that is how I will always remember her ☐👤. To be absent from the body is to be present with the Lord🕊️🕊️  
🕊️ Rest in heavenly peace beautiful.

“ *Rolanda....We met and continued a friendship for over 30 years. You supported me when I left home for college with encouraging words and concern. You shared videos from Northland Skating Rink not so long ago. (Laughing) I'd planned on joining you as we hadn't skated together for years. You were positive and loving. We shared laughs as well as tears. You also extended your love to my family with many visits whether I was present or not. You were always welcome. My Mom was your Mom too. You are at PEACE. Thank you for being my friend. You will forever be in my thoughts and in my heart. ❤️*

“*Rolanda was like a sister to me and my siblings and a daughter to my parents I remember as a little girl growing up with her and friends from meyers I had to be maybe 6 or 7 years old when i first meet Lanie and until my older years we would always know that one day we would see her is when my brother Willie came home for Christmas she would visit with her beautiful granddaughter, the last visit I had from her at my home was probably middle of last year and we talked her into putting the oculus on to walk the plank she had a fit cussed us out we laughed and had a good time this loss definitely hurt me WE Love you rest peacefully your lil sis Felicia Miller.*
