“ On September 20, 2019, Ron, Mary Scott , Pat McClanahan and I (Al) sat at a lobby table in Iceland while Ron shared with us his photographs of our wonderful trip to Denmark, Sweden, the Blue Lagoons and waterfalls in Iceland.. It was a bonding moment , as we drank tea , not knowing it was the last time we will spend time with Ron. The comraderie was ausome..

Ron and Sharon were on the tour to South Africa, December 2015.. I wore a printed T-Shirt that said “ITS ALL ABOUT ME”.. Ron was stricken that I had the nerve to wear a t-shirt with those words imprinted.. However, When we met in Iceland, he confessed to me that he too had a t-shirt imprinted with the same words on the , back of the t-shirt.. when I asked him what was the reaction he got, he said that he did not know because it was printed on the back and people saw it after he passed, and of course, they had to look up due to his height ..

Ron, the DAG family will miss you..

Sharon we love you, please know that we also mourn with you.. Ron was a great man.. I can just see him in heaven with his high power photography equipment , especially, figuring out how to bring to life the Northern Lights.. Alban Bailey

“ *We will miss Ron as a neighbor and a friend. He always greeted us with a friendly smile and a cheerful wave. He was quick to share a juicy tomato grown from his garden or just stop whatever project he was working on to chat and share the moment. Our deepest sympathy to Sharon and the rest of the family. May our Lord hold you close and bless you with His grace. 🙏*
