“ I really don't know what to say so I'll speak from the heart. I'm really and truly sorry for the loss of a friend, a father, a grandfather, and a Husband, I met Mr.Ron about almost about 10 ten years ago he always was very cool and laid back watching tv or playing games on his computer, he really loved loved his family he would do anything for them, I enjoyed getting to know him over the years and building a great friendship with him. One thing I will miss walking in his home and seeing him in the TV room when I first walk in saying Hey Mr. RON how are you and he would say hey Tom I'm Blessed how you been son. It was sad hearing about your passing and I love you and will truly miss you.

“ I am sending my deepest heartfelt condolences to my dear neighbor Carol and family.

Ron was not only my neighbor but my best friend. We were buddies. We could talk to each other about everything and anything. It didn't matter, that's how we were. Ron was also a very generous man. I remember getting his garage door back on track and Ron thanked me by surprising me with him sending his lawn care company over to cut my whole lawn. Ron didn't have to do that, he just did it. That's the kind of guy Ron was.

I could always count on special holiday phone calls or if Ron thought too much time had gone between our talks Ron would call me and apologize for not calling sooner. I loved our talks. I'm going to miss them. We would end our visits with a hand shake and a big hug. We would end our phone conversation with “I love you my brother”.

And for my dear sweet Carol. I know Ron loved you very much. I know how happy he was when he met you. He told me what a fine lady you were and how glad he finally was. Carol you're in my prayers and in my thoughts.

Ron, I am going to miss you my “dear brother”. This really hurts now. But I know you will watch over me and keep me safe.

“I love you my brother”.

Chuck

Eternal rest grant unto him oh Lord and let perpetual light shine upon him. May his soul and all the souls of the faithful departed through the mercy of God rest in peace Amen.

When I first met Ron he a kind and loving soul, he had started calling me Sis and I would call him brother. If there were anything Ron can help you with he was always lending a helping hand. “ I will remember you always, Ronald Everett Graham, Sr. So well I recall when you got drafted in the Army to fight in the Vietnam War. So brave I thought you were to leave everything you knew and take up that cause so far away. Fortune favors the brave as you returned home to us virtually unscathed. It's hard to believe but that memory was over 50 years ago. Sleep my brave soldier. Your sacrifice didn't go unnoticed.

May flights of angels sing thee to thy rest. 🕊️

Love, 💕💕
