“ *For my dearest cousin, Big Ronnie, for some reason the MOST HIGH had me look up your name at 5:00am this morning? I have not seen you or any of my relatives in over 30 years and I found this, my heart is so broken now, I remember when Ronnie made Chief of Police I called him and we told jokes laughing, I wanted to someday surprise him by coming to his home in Highland Park, but looks like it was just a dream my cousin is gone now like so many of my relatives including my mother Lois and sister Cynthia. I miss Detroit but Florida is my home now and has been for 30 years. Ronnie Ronnie Ronnie my heart is so broken, I miss him. I am so sorry you are gone and to the young lady who is your daughter, Big Ronnie was a nice man, I am so sorry, I know your heart is broken and you loved him too. It will hurt for years, my mom died and to this day it hurts. My Aunt Fannie (his mom) died and that hurt me too. I am a bit of a recluse because life hurts, I am a Musician and hope to oneday come back home and see my birth place again? Big Ronnie is in the hands of THE MOST HIGH YAHWEH NOW !!*

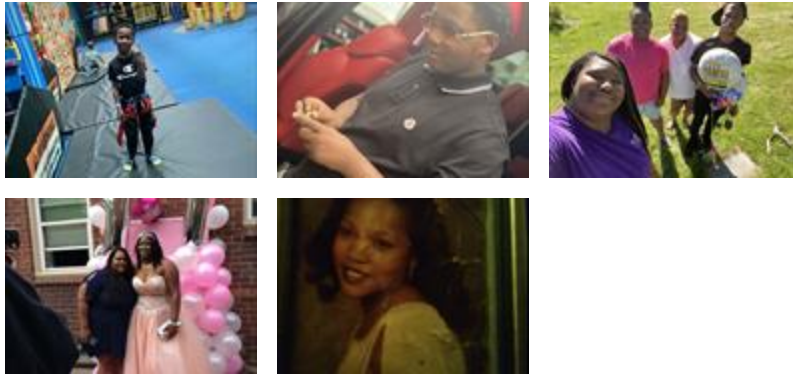

I BID YOU AND ALL MY RELATIVES SHALOM

COUSIN BARRY !!

“ Words cannot express the void that I feel in my heart at this time. My uncle Ron was the epitome of strength, class, and love...a powerful force to be reckoned with! I will miss his wisdom, his humor and most of all the selfless love that he gave to our family. Although I cannot pick up the phone and call or read one of his perfectly crafted letters, instead I will be carrying him around in my heart forever.

I love you Uncle Ron and I will never forget you...our next conversation will be among the heavenly hosts!

“ To my Friend and Family, Ronnie, you were the best mentor on the Highland Park Police Department and a good family man. My heart goes out to Daisie, Karen, and Carmelita, and family. Love you and know I'll keep you all in prayer. May God Rest His Soul and Be at Peace.
