“ My sister! My very first best friend, Toriecha Parker, I'm praying sincerely that the Lord will forever comfort, strengthen, bless and keep you and your entire family. He will carry you through this tough time. He is your very present help in trouble. I love you, dearly.

“ My Waka

*I just want you to know I love you and I appreciate everything you did for me and my girls. I used to tell you, you where the man I prayed for and I thought it was to good to be true. You were my Lover , my Friend , my protector && you NEVER told me NO. Everyday you told me that I was pretty && beautiful and how much you loved me. Well I don't fell pretty I feel hopeless. You told me you LOVED me everyday until I said it back. You used to tell me I know you falling in love with me you just need time to expect it. I can't believe you left me like this we had so much more to do. We had a plan Ron. You really messed me up I can't sleep and I can't eat. You know you hated when I didn't eat. I just want you to walk in the house and tell me bae I'm okay. I'm going to miss our talks, your smile, your kisses && hugs. I'm going to miss EVERYTHING ABOUT YOU. You was my Prince charming. Your family laughing at me because I never have gas in my tank but little do they know you made sure you filled it up EVERY Sunday. It was always the little things you made use you did. It's taking a lot for me to write this but I know that you got me FOREVER. MY FOREVER Protector!! I'm not okay && I'm probably not going to be okay for awhile but I know how you felt about your mama, daughter && sister. I'm trying to be strong (you know I'm a crybaby) but I got them bae & God got me. I love YOU  
your Lenxe ❤️*
