“ *RONALD and I were friends for a very long time, learning to dance together and sharing life as brother would. We sang and I played the piano in the 1970's and played cards at Eddie house. I left and joined the Air Force in 1975 and returned to Detroit in 1977 still in the Air National Guard at Selfridge. May God Bless my friend and his family always....*

“ *Expression of sympathy for your family.
In just a little all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away.*
