“ *"Well Done Thou Good and Faithful Servant*

Granny I am going to miss you sooo much but I thank the lord above that you will not endure anymore pain and your trips to dialysis is over. You showed us all how to be strong and faithful to the Lord. You are the Greatest Grandmother that anyone could have and I am blessed that God put such a wonder example in my life. Losing you was the worst day of my life but I no you have earned your wings and for that I will see a brighter day. I will miss the days when I use to do your hair. Those were the times when we use to have those deep conversations and you would give me words of wisdom. I am going to miss your beautiful, sweet, soft smile. I will never forget your beautiful voice. You are the Voice and you blessed us all with it. (Except your baby girl Auntie Anita. Lol!!!) Thanks for everything that you have done for me. I remember the days when you use to love to cook. I can just smell the fragrance of the sweet potatoes baking. I tell you..... we definitely wasn't built to break because you put up a hell of a fight. You are my everything and I can't wait to see you again.

I will always love you, Rest in Heaven
