“ My sister, you were the Rose 🌹 that grew from the crack of the pavement!! I truly miss and love you. There’s many things that I’d like to say but I take comfort in knowing that you aren’t suffering and you’re in a better place!!It saddens me to know that you’re gone but I know that your Spirit will forever live on! You embodied Strength and Perseverance!! A Rose is still a Rose and you are that rose 🌹 that grew throu the crack of the Pavement! Take great care until we meet again! Love Always your brother, Leonard
