“ I met Roz back in the early 1990s when our daughter's were at MBS dance training school. Her smile and bubbling personality was so very nice. She invited me and Brie to become part of their family. We shared so much with our daughters. Traveling, birthday parties just to name a few. Rest well my friend in Paradise my friend. Until we met again.

“ *May angels lead you into paradise;
upon your arrival, may the martyrs receive you
and lead you to the holy city of Jerusalem.
May the ranks of angels receive you, and with
Lazarus, the poor man, may you have eternal
rest.*

Bless you and all who mourn.

“*I had the honor of working with Ros at the WCAA and to be able to call her a friend. She cared deeply about people and had a unique insight into employees to work effectively with them. We had a lot in common and we had a lot of fun together. I am praying for strength for Ros's daughters, grandchildren and family to get through this difficult time.*

“ Jeffrey Davis lit a candle in memory of
Rosalind Duncan Wallace

Jeffrey Davis - January 21, 2025 at 10:13 AM

“ I had the opportunity to work with Rosalind for 15 years and so grateful to know her. She was a leader at work, but more importantly a role model for me on how she loved and cared for people, especially her dear family. I admired her for being such a loving, wife, mother, grandmother and sister. Her family brought her so much joy. And she brought joy to work as she was fun loving and caring. What a beautiful life and legacy I will always remember.
