“ It makes my heart ache to know that my best friend's best friend is no longer with us. However, I am comforted to know that Rose will suffer no more. Lisa and I have been best friends since high school. From the very beginning of our friendship, Rose opened her home and her heart and made me feel like her daughter. She leaves behind many family members, friends, and loved ones. Her amazing spirit and undeniable strength lives on in Lisa. I love you Lisa and you know that I am by your side for life.

*With love and sympathy for you and your family,
Mill*
