“ *We’ve been friends since elementary school.. We didn’t always see eye to eye on different things but we never let it stop us from being friends.. Since I made a decision to change my life around Roy was one of my biggest supporters meaning he would always tell me don’t let nobody tell you nothing negative Podge.. It’s people that wish they had the life you got. He would always say.. You got a family.. He would make that clear everytime we got together. Always telling me how proud he was of me.. I thank GOD for our years of friendship. Even when I was mad at him I loved my guy dearly.. I don’t know who Im going to go to now when I need to get away. and talk.. Guess I’ll just find me a nice quite place in the house somewhere and just talk to you like you were still here... Love you My Guy.. Until we meet again

“ Roy was always a perfect gentleman. He treated me with the utmost respect. He had a huge heart and a beautiful soul. We had many fun times and shared a lot of laughs. Steak and salad dinners followed by the movies with popcorn, won't ever be the same 😊. I am grateful for the moments I was able to share with you. I wish we could've made many more memories. I will cherish the time we shared always and forever, THANK YOU. I hope you're enjoying the jello with the fruit in it, I know it's your favorite! 😊
4ever in my ❤️..your Boo Boo always, Joan
