“ *Hey uncle ro In our eyes you were the greatest uncle anyone could be blessed to have... I will cherish the memories we have for a life time.... Like when you always came in from Detroit and stayed with us. Or when my sister and I would always be soupped up on sugar because you allowed us to have junkfood for breakfast. Lol mom used to get so upset because she couldn't tell you no we can't have it because you was her older brother. I love you and may you rest in peace.*

“ To the family of Ro Dawley- please accept my heartfelt condolence in the loss of your loved one. Knowing Ro for many years, I found him to be a genuine friend. His family was his pride and joy- I admired that greatly! His upbeat manner and acceptance of others added positivity to many lives. I am grateful that our paths crossed during Ro's lifetime. Take your rest my friend- but you will be missed greatly- Betty Davis

“ My dad was a great man. I honor him even more now seeing that he was an even greater man than I thought. He had a good heart. You I am going to miss his humor, his encouragement, and being able to call him and just talk. Before hanging up he would always say, "I love you and it's absolutely nothing you can do about it." Dad, I love you and there's absolutely nothing you could do about it! -Elizabeth
