“ *Condolences to the Barnes family. I met MsRuthie vwhen I
interviewed her over 20 years ago.. Her work ethic rwas so great
that I ask her to join me at another hotel and she did. She was a
stellar employee and believed in perfection. She was always neat
and her white shirt was always sparkling and crisp.
I will never forget the day that I found you. Your focus was not on
yourself as you were still trying to do your job. The commitment and
dedication that she showed me through her years of service with me
will never be forgotten.

“ May God comfort the Barnes Family during this time of bereavement. I have fond memories of Ruthie living next door to my family in the 48204 she was like a big sister to us and a daughter to my mother. Weeping may endure for a night but joy comes in the morning. Love Artra
